PRESIDENT'S REPORT

Dr. Williams will be attending the NCSBN Annual Meeting with Dr. Castaldo and Dr. Zickafoose, which will be held August 15-17, 2018, in Minneapolis, Minnesota.

EXECUTIVE DIRECTOR'S REPORT

Dr. Zickafoose advised the Board that 60% of states have enacted the eNLC.

HB 401 is currently awaiting the Governor's signature. The Bill temporarily exempts marijuana products approved by the FDA from Schedule I of the Controlled Substances Act to allow access without delay.

Maine's Governor vetoed H1294, which would have added military training to take the place of an approved education program to allow veterans to qualify for LPN licensure.

The NCSBN is now offering practice RN/LPN NCLEX examinations. There is a \$150 fee for the practice exams.

Periodically, the NCSBN allows Board members to sit for the exam to review the NCLEX items. If a Board member is interested in this opportunity, they should contact Dr. Zickafoose by Friday August 10, 2018.

Every two years the licensure fees are evaluated and they increased effective July 1, 2018. Processing fees for initial licensure are now \$156.00 and fees for reinstatement are \$234.00. The Division is in the beginning stages of implementing an online application system with a tentative implementation date of October 2019.
